

# TEQUILA & MEZCAL BIBLE

Ignite your spirit with these magical concoctions  
born of the cactus and prayers to the Virgin  
Any batch you choose will tingle on the tongue  
and linger long after  
the lights go down in this sexy cellar  
amid a riot of fine anejos, blancos, reposadas

Tiny miracles for the tastebuds,  
extracted from the spiky leaf  
of the holy blue agave,  
aged in ancient wood,  
when this potion hits the tongue  
it lights a fire in the blood.  
sit down, drink up, unwind,  
take your spot on Esquina's  
merry go round.

Smooth absolutions  
reconstitute your constitution,  
increase your adoration,  
trigger storms of exaltation,  
"You got to burn to shine!"  
Buddha said.

A fine tequila will  
kickstart a conflagration  
in this congregation,  
Light a fire in the choir...

you're not going to heaven  
nor bound for hell  
just taking a ride  
on Esquina's mezcal carousel,  
where secrets spill in this dark cellar  
lust and laughter and what comes after.

Nibble on that worm,  
**WE'LL NEVER TELL!**

## 46 Blanco

### BLANCO

Clear and transparent, Blanco or Plata tequila can be aged up to 59 days after the distillation process. It has the true bouquet and flavor of the blue agave.

## REPOSADO

Meaning "rested" is tequila that has been aged in wood barrels for more than two months and up to one year. This gives the tequila its mellowed taste, pleasing bouquet and amber color.

## AÑEJO

Aged in oak for at least one year and up to three years. The amber and wood flavors are picked up from the barrels and the oxidation that occurs during the aging process, developing the rich bouquet and taste.
