Ignite your spirit with these magical concoctios
born of the cactus and prayers to the Virgin
Any batch you choose will tingle on the tongue
and linger long after
the lights go down in this sexy cellar
amid a riot of fine añejos, blancos, reposados

Tiny miracles for the tastebuds,
extracted from the spiky leaf
of the holy blue agave,
aged in ancient wood,
when this potion hits the tongue
it lights a fire in the blood
sit down, drink up, unwind,
take your spot on Esquina's
merry go round.

Smooth absolutions
reconstitute your constitution,
increase your adoration,
trigger storms of exalation,
"You got to burn to shine!"
Buddha said.
A fine tequilla will
kickstart a conflagration
in this congregation,
light a fire in the choir...

You're not going to heaven
nor bound for hell
just taking a ride
on Esquina's mezcal carousel,
where secrets spill in this dark cellar
lust and laughter and what comes after.
Nibble on that worm,
WE'LL NEVER TELL!

TEQUILA BLANCO

Clear and transparent, blanco or plata tequila can be aged up to 59 days after the distillation process. It has the true bouquet and flavor of the blue agave.
